OUR QUALITY COMMITMENT
TO YOU...

1-Year Limited Warranty

Country View Woodworking, Ltd. ("Country View"), warrants its furniture for a period of ONE YEAR from the date of your purchase to be free from defects in workmanship provided it is not altered, subjected to misuse or commercial use and is properly maintained or protected with Country View recommended polish and cleanser which contains no silicone, wax or ammonia. Failure to use proper products will invalidate this warranty. Because our furniture is a product of nature, seasonal splits, checks, movement of parts, finish and failure to maintain proper humidity levels of 35% - 40% shall not be considered defects in workmanship. If judged by Country View management to be defective in workmanship, your furniture will either be repaired or replaced at the option of Country View, free from all charges, except authorized transportation. Limited warranties are non-transferable from the original retail purchaser.
